1. Those who wait on Me will become Me. Yea, they shall behold Me, they will walk into Me, My infrastructure complete, replete. Yea, behold Me, behold Me, The Great I Am, the one and only I Am; the finale of I Am, the great finale approaching. I love you and I give you Me. I give you Me replete. I give you Me. I give you all of Me you will onsume; all of Me you will walk in; all of Me you will operate in; all of Me you are willing to be, become, behold. I thank you. I love you for you are not afraid to come into Me; you are not afraid of the lightning, the thunder, the nakedness, the destitution, the scorn, nor the accolades of honor.
2. Leadership required of Me and can only be obtained at My knee and My knee alone in **the School of Me: Me-onics coming forth, The School of Meonics, the degree in Meonics, I Am-onics.** I love you and I give you Me.
3. Central to Me and what I am doing are My Covenants; My Covenant, My Covenant comes forth. My Covenant comes forth in centrality of what I am doing, of who I am, what I have done, who I have always been, and what I will forever do, what I will forever be. Behold My Covenants. Behold My Covenant. Behold My Covenant in palaces, in squalor. Yea, I have offered, I am come and I give you Me and I will now arise the prodigals many. I will arise the Mighty Many in those who have waited at My knee.
4. And those who have castrated Me "a non-performing God" I resist, I abhor, I loathe, I will scorn and I will laugh for the opportunity given them, for the opportunity they scorned; the opportunity they saw before their eyes every day of their lives that I gave them to be Me. I love you. I give you Me.
5. Recant not, fearless one; in, over the words I give you; My monologues, decalogues not, dialogs not. Those times, these times where I come and I speak and I speak and I want to speak more; they all give you volumes, chapters, volumes of chapters on, yea, any subject at My knee, who every subject is, what every subject is; and yea, the voluminous fills My earth with My word. The volumes now come forth from those who will be Me; those who will hear My voice and let Me awaken, let Me touch them and give them My word. I love you.
6. The School of My Prophets come forth; the school where prophecy reigns not supreme but Me, I reign supreme; in principle not, in relationship, in actuality; in duality not, oneness. I love you.
7. I give you Me. Become Me, behold Me, I am The Man, I am God, I am The Great I Am. I am a man, I came as a man, I came in the form of a man, I yielded Myself to the meekness that I already was, that I operate in every day that I offer an opportunity placed before My people--I love you -- innate the opportunity. I love you.

8. I give you Me and I find Myself speaking more and more, to more and more, about more and more, as I enjoy so wonderfully in exposing who I really am, how I really operate: who I am, how I operate, My value system, what I meant when I said so many things that have been so misconstrued for so very long. I love you. Straightening, untangling, making replete information, emotions, scriptures, principles that operate on only Me, statements that operate inside Me, foundational precepts **operationalized only in My love**. I love you. My love conquers all: My Covenant Central's, Covenants Central, My Covenant is central to what I am doing.

9. Now hear this in what I am saying and what I say and what I banner now and declare forth and proclaim this day: This is the day of My Covenant, this is the day of My Covenant. I am I Am, I am. I am The Great I Am. I am the only I Am. I am I Am, and you are I Am. I have placed I Am in you. I Am.

10. Now hear Me and understand My I Am, My Covenant and how My Covenant is central to what I am doing and must come forth in replete-ness to be Me. Exchange of A:B B:A I told you I share, I graphically present, and now I banner in neon lights; Yea, in the sky, clouds, perpetrators of only Me who at My knee have been, who at My side walk, who do and speak what My Father says. I love you.

11. I give you Me drink offering, I give you Me drink offering, I give you Me drink offering who I love with all My heart.

12. I thank you for getting up. I thank you for your thankfulness increasing, for My words "what time I am afraid I will put my trust in Thee. I will put my trust in You, oh God, for you are my King, my refuge, my fortress. All my trust is in You, All my trust is in You, All my trust is in You and I give You all of me. I give You my future, I give You my past, I give You my present. I give You my today and my tomorrow. I give You my fears." These I pray, you pray. Pray My prayers, pray more the prayers I give you. Pray more the prayers you have prayed and let them see you. Let all see you naked of heart, naked in oneness with Me, only Me, in purity. I love you. I love you. I love you.

13. So tenderly I come, so carefully I present Myself, so many times I speak and they… [end of Tape 66_6]. [Beginning of Tape 67, Side A] So many come, so many call, so many conquer, so many do not conquer. The way is straight, the road is narrow, and few there be that go in that remain.

14. Yea, My remnant increases, matures and walks into Me now. The Might Many who come forth in boldness and timidity not, timidity none, none, none, none, none! Timidity none! Timidity none! Boldness, boldness, meekness, power, authority given now walked in. Behold Me, walked in, walked into, walking and replete in Me. I love you and I give you Me.

15. I love you and I give you Me, and I love the phrase and all that it implies, all that it says, all that I mean with it, all that I mean in it. I give you Me. I yield now Myself to you, My members replete in Me. Oh, see what I have said. See what I am saying. See what I yield and how I lay before you, how I receive you with outstretched arms, how I hug you, how I lay with you; yea, how I kiss you. Yea, how I am fulfilled knowing the

love of My lover, My bride, My Me'd ones now entering into a decade of loveliness; decades of loveliness in times with Me that now will never end, but only enrapture Me and enraptured be with Me, seeing Me for who I am, what I am, what I have done, and how I operate and how I am wholly Me in wholly you. I love you.

16. I give you Me, wholly Me, for wholly you; exchange, inter-exchange. I love you. Covenant, Covenant, My Covenant of all Covenants; the centrality of My Covenant coming forth, exhibited, displayed in communion of only Me. My Eucharist served now by Me; by Me; by Me, Melchizedek, to you My lover, My friend, **My all coming king** in the power of only Me delegated, authorized, deputized in only Me; **drink-offering'd personification of My flesh, My body, My walking in now, My walking Me now, My walking you My creation and oneness of Me.**

17. See what I have said. See what I give; see what I continue to give, see what I roll forth. Yea, what I come in and how I present Myself in meekness, power and authority, grace and glory, meekness, meekness, meekness, understanding, **respect, honor; glorifying My creation that glorified Me, and I glorify now you, your time is now.**

18. Yea, I come forth, I come forth first person. Behold Me in My fullness. Behold My grace and glory and My seekers serious.

19. Behold Me not in mammon'd ones who look for Me for mammon, who look for Me for profit, who want only Me for what I can give them, for what I can do for them; who come not to Me for love, for purity, for My purity in My love, for My love and purity that exists only without taint. I love you. I scorn, I discard not; but I wait and I intercede, I intercede.

20. **Yea, I come seven times, seven times a day, every day and more**. I come and I call and **I present and I show and seven times seventy for the open-eyed** only a beginning. I love you.

21. My seventies come forth, My seventies watch Me. My seventies reign and more, watch Me. Watch Me reign My seventies, My seventy-sevens, My nineties. Now you who are old, who think you are so old, who feel old, who feel of no use and no value and that no one values you; **I value you**. I come and I call and I lift you this day and **I make this statement, proclamation of My value to you. You the old, the elderly, the thought useless, the slow, the slow of mind, the slow of body, those castaways, often castaways; you, you, I come, I state My value to you: I died for you.** I birthed you. I gave you Me. Now rejoice in the replete-ness of Me. And fear not man. Fear not death. Fear not dying. Fear not being alone. For behold Me and who I am and who you are and who I made you be and fret not over that which was, fear not that which is to come. Behold Me, I behold you. **I make this statement this day of My value to you, of your value to Me, and covenant with you to come in and exchange and be you, be Me.** I love you. **I state this day My presentation of Myself, My proclamation of Me, of My value, of your value.** You, older, elderly, slow of mind or body or both, in feebleness; yea, even immobile, **hear My words:** I come, I call. I love you, I love you, I love you, I love you. I love you. With tears on My face, I love you. I touch your face. I yield to you
